Application# 09/955,671 Filing date 09/19/2001 SAIL KATTA REDDY DOUGH PERFORATOR METAL USE

Dear Officer,

I'm writing this letter regarding my patent examination. I was out of country for about 6 months ~~last~~ due to medical condition. During that period an examiner from your Office tried to contact me. Since I was not here, a friend of mine responded to the call. I wrote 2 letters to your Office asking them not to send or contact me through mail or through phone until I come back to U.S. I wonder what happened to those letters.

This is to let you know that I have not abandoned my patent application and that further examination be conducted as usual.

You can contact me 217 480 4338 in the evenings or mail me the questions and doubts about my patent application and its content. Please do not abandon my application for patent.

Thank you very much.

Faithfully yours,
Sail Katta Reddy
